
Invocation
to The Violet Ray

*I call upon the Elohim of the Violet Ray.*
*To pour Divine Transmutation*
*through all that I AM.*

*I call upon the Amethyst Ray*
*to transform every cell.*
*Every atom of my bodies*
*into Higher Light.*

*I call upon the Violet Flame*
*to burn with my soul*
*And release all veils that separate me*
*from Spirit.*

*I call upon the Violet Flame*
*To burn away my illusions,*
*To burn away my resistances,*
*And transmute my fear to Love.*
